We want to hear from YOU!!!

The Palisades Neighborhood Association (PNA) is conducting a survey of its membership with the goal of improving communication, thereby better understanding and better serving the needs and interests of the community.

- PNA is the largest of 22 neighborhood associations established by the City of Lake Oswego.
- Neighborhood Associations provide an avenue of communication and participation between residents and the City.
- They are non-partisan and lead by volunteers that live throughout the neighborhood.
- Approximately ten percent of Lake Oswego residents reside in PNA.

Like many organizations PNA is transitioning away from paper and toward electronic forms of communication which provide a more timely and cost effective mechanism of communication. **We strongly encourage residents to register their email address on the survey or on the PNA website, www.palisadesneighborhood.org.** Email addresses are not shared or sold. You will receive approximately 10 emails a year with neighborhood news and information about upcoming meetings or events. There is no spam. It is all relevant to where we live.

Please complete the following survey and return it in the enclosed envelope as soon as possible. Your responses will help the organization focus on things that are of interest to our neighborhood.

Questions or Comments? Contact Rick Eilers at chairperson@palisadesneighborhood.org, or 503-757-7572.
