Candidate's forum Overview

- Ewa, Gail and Rick are the candidate's forum planning committee.
- All City council nominee candidates accepted the invitation to attend.
- Last year the attendance was high, so we need to be prepared for a large group.
- Ewa suggested inviting high school students and is going to check with both high schools to see if students would be interested in attending.
- Ewa, Gail and Rick will come up with questions for the candidates to get things started and then audience members will also be able to ask questions.
- The event is on September 25 at 7 PM. Rick will be the host, Gail and Ewa will moderate, Kirsten will do time keeping.

Other PNA updates:

- PNA area reps present discussed the possibility of the school district selling Palisades Elementary School and what the PNA would recommend as an option. This is very early and no action is needed at this time. Area reps shared different ideas including, park and rec space or a charter school. The property is zoned for residential.
- Sarah Selden is seeking people to participate in a Tri-Met survey. Kirsten and Ewa agreed to take the survey. Rick will email it to both of them.
- There will be a neighborhood planning information session on 9/18 at city hall. This is for communities getting ready to develop or update their neighborhood plan. Rick will attend and see if PNA's plan is up-to-date.
- PNA received the city NEP grant for a new piece of art at Lakeridge High School. The school district also approved the proposal. Gail is the lead and working with the artist. The work of art will be named either World of Color or Kaleidoscope. Names of current PNA members will also be listed.
- A company (Meyer Sign Co.) will work with PNA, the school and the artist to complete installation. PNA is aiming for a late November installation date and a dedication in early December.
